New Potential Market of Southeast Asia-Vietnam

Vietnam is one of the fast growing economy in Southeast Asia. Its GDP growth surged to 6.4% year on year in the third quarter of 2016. With global trade growth expected to recover in 2017, The Economist forecasts see real GDP growth averaging 6.5% annually in 2017-21.

On the other hand, the death rate of Vietnam is 5.9 deaths/1,000 population (2016 EST.). The population of Vietnam is 90 million people, which ranks the third of Southeast Asia. Vietnam will be a new potential market.
