“Vibrators are no doubt the bestselling products in the market, but there are more and more sex dolls suppliers participating at AAE eager to show their quality products to the world.” Said Mr. Kenny Lo, Chief Executive, Vertical Expo Services Company Limited. “ Adult industry is booming and China benefits most of all thanks to customers in Japan, Korea and Turkey, 3 countries took about 15 % of the total dolls are exported to.”

Couples buy dolls as well as singletons, as couples find the dolls a safe way to introduce another partner as there are no emotions. It’s sexual exploration without cheating. Dolls are sometimes introduced as sexual surrogates when one partner is unable to enjoy sex, often for health reasons, but the couples do not want outside lovers.
